

ELETU USMAN

SOFTWARE ENGINEER

SUMMARY

I am a skilled Frontend Software Engineer, a proactive team player and a quick learner. I am seeking an opportunity to play a hands-on role in an enabling environment where I can apply my skills to contribute to the growth of the organization.

EXPERIENCE

Semicolon Africa Lagos, Nigeria

SOFTWARE ENGINEER TRAINEE

Technical Skills Development

- Acquired strong knowledge of HTML, CSS, and JavaScript for building responsive interfaces.
- Gained hands-on experience with React.js, React Native, and state management tools.
- Strengthened expertise in UI design using Tailwind CSS and Material UI.
- Developed proficiency in API integration, Firebase, and secure authentication (OAuth, JWT).

Designed and Developed Innovative Applications, including:

CreditWise (Credit score improvement platform) : CreditWise Nigeria is a financial education platform that helps Nigerians improve their credit scores through educational content, personalized plans, progress tracking, expert consultation, and credit tips. Built with TypeScript, React, Tailwind, Node.js, Express, MongoDB, and JWT.
